

## **Pallister Awards at Brandon University**

### **1. Pallister Entrance Awards**

To be awarded to deserving entrance students from the Central Plains region, including the communities of Portage, Gladstone, Treherne, Crystal City, Winkler and Carman.

4 awards of approximately \$1,265 each\*

Application information: Students are automatically considered for this award and do not need to apply. Must have applied to Brandon University, submitted your Grade 11 transcript and any other supporting documents as specified in the award application by March 1st to be considered for this award. Award is given out in April.

### **2. Pallister Women's Athletic Award**

To be awarded to student-athletes on the recommendation of the Director of Athletics based on athletic promise, with one award available to each of the following women's Bobcat teams: basketball, soccer, and volleyball.

3 awards of approximately \$1,260 each\*

Application information: Students do not need to apply for this award, as recipients will be automatically recommended. Award is given out in September.

### **3. NEW: Pallister Men's Athletic Award**

To be awarded to student-athletes on the recommendation of the Director of Athletics on the basis of athletic promise, with one award available to each of the following men's Bobcat teams: basketball, soccer, and volleyball.

3 awards of approximately \$1,260 each\*

Application information: Students do not need to apply for this award as recipients will be automatically recommended. Award is given out in September.

#### **4. NEW: Pallister ACC/BU Scholarship**

To be awarded, on the basis of academic merit, to an entering or continuing student who was admitted to their Brandon University degree program through an articulation agreement with Assiniboine Community College (ACC).

2 awards of approximately \$1,465 each\*

Application information: Students will be automatically considered for this award and do not need to apply. Award is given out in June.

\*Amounts will grow to these numbers over the next three years. Prior to that, the award values will be less as the endowments have recently been established or added to and amounts are based on a 3-year market value average. All award values are subject to change based on market values and the BU Foundation's distribution rate.
